

SLOTIN PC GEN3

For Barco EC-50

SlotIn PC gen3

- ▶ compatible with Barco EC-50
- ▶ Windows 10 OS
- ▶ Intel i7-1185G7 Processor
- ▶ 2x HDMI outputs

The EC-50 Slot-in PC gen3 is a product, that builds on the success of the first and second generation of Slot-in PCs, especially developed for the Barco EC-50 Event Controller.

The gen3 hardware comes with some technical improvements and continues to ensure a safe and perfect operation in the EC-50. The new Slot-in PC has now 2 Thunderbolt ports, a powerful processor and more storage space.
